Public Library Division Report

4/14/20

Due to the coronavirus pandemic, the MLA conference was cancelled this year. Because of this, PLD did not have a meeting. In January, 2020, there was a call for nominations for a new co-chair. Mitch Grady was our sole nomination and on April 14, it was announced that he won the election and will take the reins of co-chair on June 1. Shari Curtis will be the senior co-chair.

We have reserved Chico Hot Springs for another year of our Fall Retreat in October. The dates are October 18 and 19. We have begun discussion in MLA Board meetings about combining the Fall Retreat with the Offline Conference. There has been no decision made and we need to have more discussions with the organizers of the Offline Conference.

Kind regards,

Kit Stephenson

Co-chair PLD
